Commenter Type: Neighbour

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: After one initial meeting with the owners no other meetings with offers have been put forward or made by the community.
Do the Harvel Collective honestly think that this application doesn't go through, that the owners will hand over the property to the same group that have been acting as vigilante towards them?
Clearly the Collective haven't the resources, correct aptitude or finance to do so.
It's all empty talk.

Kind regards
