Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: Coming to harvel greyhound premises on many occasions which is near to the Amazon and Tiger we always called in and were very surprised to find it empty on many occasions and didn't seemed to be supported by the local village residents which seemed an awful shame so I can understand why the owners have had to change the way they go forward with their lives

Kind regards
