Reasons for comment:

Comments: I fully support this change, I understand that the pub was empty and not frequented much by patrons, they had no support during covid and I know that the farm shop and cafe in Harvel have replaced the hub in the village. The owner of this pub should be able to do what they please having run the pub for such a long period of time, with less trade and less income and times changing and pubs not a booming trade they once were. There are other pubs within in area that can be used to replace this pub.

Kind regards
