Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I wish to strongly object to the proposal to change the use of this property. The Amazon & Tiger has been at the center of the community for as long as I have lived here. With the right management it has been a success for many years and it is unfortunate that the current owners have decided to stop running the business and despite significant interest from other parties wish to change the property to a dwelling.

Kind regards
