Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: I used to use this pub all the time. The reason why most of the groups used the pub was because they used it for meetings for free. They didn't want to pay for the village hall. How can a pub keep providing services for nothing. It's a business. I don't think anyone running this pub would manage with the prices of heating etc at the moment. All pubs are struggling locally.

Kind regards
