Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: i believe this to be a disgrace to allow this application to even be considered this should remain as a public house as it once was, the failings of this current landlord should not reflect on the Amazon and Tigers future as a public house its a community asset and has connected harvel and surrounding villages together creating a feeling of a local happy community
i object to these proposals and ask that it's reinstated as it should be and back open to the local community asap
instead of being developed for financial gains

Kind regards
