Reasons for comment:

Comments: We supported this Pub always used it and even in lockdown we supported them by buying the takeaway fish and chips every week they made a good living out of many village fates harvel 5 runs
I believe they just ran it down
making some people feel that they weren't welcome little maintenance
To the toilet which may have put more people in the village off going in It will be such an asset should it remain as a public house we as a community would use it and cherish it there is no where else to go for people that don't have any transportation no bus service no taxi service it is and was a life line to especially me and it's been sadly missed

Kind regards
