Comments:

I would like to register my objection to this application as I disagree completely with the decision to permanently close the Amazon & Tiger as a public house. This pub represents the only place where the members of the local (and very rural) community can meet and socialise.

With the Amazon & Tiger closed there are no pubs or indeed any other points of interest without walking a considerable distance and with the local public transport to the village being axed the closure of the pub leaves the local community isolated and without anywhere to realistically meet and socialise, people are already beginning to lose touch with friends and acquaintances and we have even had one elderly resident move away because, as a pub regular, he could not cope with the sudden loneliness.

There is also the subject of local property because the closure of the pub is going to make it considerably more difficult to sell a property in the vicinity of Harvel.

This building was built from scratch specifically as a pub in the 1920's, it has been run as a pub ever since (including by the present owner for several years) and should continue to operate as a pub, testimony to this is the fact that the parish council have seen fit to issue an asset of community value in an attempt to prevent the permanent closure.

The present owner has also angered many people in the area by seemingly ignoring the terms of the ACV which clearly state that the bar may not be altered and has demolished the cold room, also judging by the amount of building materials that arrive on an almost daily basis it would seem that there are considerable alterations being made behind closed doors although there is no proof.

I understand that the present owner wishes to retire and I also realise that he owns the building, but my opinion is that when you buy a pub such as this you are a custodian and consequently should sell it on for someone else to run when

you are finished with it, not close it for financial gain and deprive a whole community of its local pub.¹

Kind regards
