Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: Whilst most people will have used the 5000 words to show their objection, I and as have spoken to our parish council to explain our objection on our behalf Harvel is a small hamlet and the Amazon and Tiger has always been a focus for the local community. It is an essential community asset of which has been missing and is missed since lockdown and we want it back it was a community hub essential for communication and community spirit and welfare

Kind regards
