Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	There is a clear need for more homes, and housing shortages must be addressed so that people have somewhere suitable to live. Gravesham needs more homes. We do need decent green areas so the kids aren't stuck on the iPads. I believe this will bring benefits to the local area with the strong rail links, which will make it attractive for people who are working and contributing to the local economy.

Kind regards
