Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	The proposal has a good variety of homes, which is important, particularly as I am looking for a bungalow and hope this type of housing will be available for me. I also support the development because the homes being all electric is a good thing, and the inclusion of greenery and green space is positive for the local area.

Kind regards
