Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Meopham (especially the wrotham road) is already far too congested and with very simple road works can end up in total gridlock. It is already extremely hard to get a doctors appointment or use the local parade as there are already too many cars. More homes will impact the wildlife and countryside people move to Meopham for and will increase the pollution in the air impacting all of us.

Kind regards
