Reasons for comment:

| | |
|-----------|---|
| Comments: | <p>I am objecting on the grounds of losing greenbelt land, wildlife and agriculture land. Also loss of trees and hedgerows and the added risk of flooding as more and more land is being taken away from it's natural use.</p> <p>Also the A227 is so busy already. The junction at the parade of shops and the primary school is already at capacity and parking is atrocious and dangerous.</p> <p>Extra air pollution especially being right next to the schools in the vicinity is damaging to vulnerable children.</p> <p>The doctors is full and you can never get an appointment and also the local hospital is struggling big time and you have to wait weeks to have anything carried out there.</p> <p>Too many people and housing in the north West Kent area already.</p> <p>We will not be a village just an extension of Gravesend.</p> |
