Reasons for comment:

Comments:	<p>I am objecting to this proposal.</p> <p>The loss of valuable agriculture land in a greenbelt area. Loss of wildlife inc badgers, insects and birds to name a few. Loss of trees and hedgerows and extra chance of flooding. Loss of views of the countryside. Air and light pollution. Noise The A227 is congested without added cars. The junction at the parade is shops is dangerous now and it's right next to two schools. Access onto the A227 will be dangerous. Loss of village as a community - will become more like a town. The doctors struggled to deal with the amount of people it deals with now let alone another few hundred people minimum. You can never get hold of them to get a face to face appointment. The local hospital darenth valley cannot deal with amount of people that attend it now. It covers too large an area and the facility isn't being extended.</p>
