Reasons for comment:	
Comments:	I've been in my house for 48 years, but younger people need support. Even young people like my niece, who's a nurse, and there's no help for them. There's a young couple that live close by and they've got a little girl with another one on the way, but they can't afford to get on the property ladder, and renting feels like they're wasting money. Affordable housing is the key thing.

Kind regards
