Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	It seems like a good proposal that can help people who need homes by giving them the facilities to get them. It's a good initiative going forward. I also think it's good for the environment to get rid of the carbon dioxide and all the other stuff. New walking routes will also make it easier for people to exercise which is important for helping to prevent certain illnesses like Alzheimer's and dementia.

Kind regards
