Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I completely object to this proposal as it is overdevelopment of the site and village. We already have big issues with parking, traffic and pollution. It is already extremely difficult to get a doctor or dentist appointment, our schools are overwhelmed, there is not enough infrastructure already, to add more people especially on this scale will be catastrophic. I strongly object to this development.

Kind regards
