Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I completely object to this proposal, as a young person, living in a rural environment is so important to my physical and mental wellbeing. I think everyone should have the option to live in a rural environment. If we keep building on our Green Belt it will mean reduced opportunities for us all. The Green Belt should be protected at all costs. Stop the sprawl and keep our open spaces and unique historical features.

Kind regards
