Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This would mean the destruction of our green belt and the loss of more open spaces, beautiful countryside and fresh air. There is insufficient infrastructure to support this number of houses. The road access would be to a small country road which would not cope with the increase in traffic. The local roads are already congested, the schools are full and doctors surgeries and local hospitals are already at capacity. It would be completely inappropriate to build this many houses in this area.

Kind regards
