Reasons for comment:	
Comments:	It is adjacent to a SEN school. Those pupils are highly sensitive and this development will cause harm and stress to those students and impact their wellbeing. It is already a congested area during school drop off and pick up times. This will only make it worse This proposal will further reduce the amount of high grade agricultural land. Longfield road is already used as a rat run when the A2 and M20 have problems, which occurs regularly.

Kind regards
