Reasons for comment:

Comments:	<p>The proposal is totally unacceptable on many fronts but particularly:-</p> <p>Safety of children in adjacent schools with the increase in road traffic on the already congested country roads.</p> <p>Green belt land should not be destroyed.</p> <p>The is insufficient Road infrastructure in place.</p> <p>Traffic accumulates excessively if there are incidents in nearby main roads. These tiny lanes cannot cope.</p>
