Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>So a total of almost 700 new houses to be built in Meopham and surrounding countryside. To even consider building 150 homes on what is potentially a rural lane is another ridiculous idea for goodness sake.</p> <p>The surrounding countryside is and should remain greenbelt land.</p> <p>We are already suffering the impact of the new houses built opposite Morrisons and the inadequate access from the A2 on to the A227 (single lane to go both ways). Roundabouts are constantly snarled up with the volume of cars now using the A227.</p> <p>When/if the Lower Thames Crossing happens, that is going to increase the traffic by 1,000s.</p> <p>I totally object to this application.</p>

Kind regards
