Application ref 20220667

7 Hollands Close Shorne Gravesend Kent DA12 3EH

Single storey rear extension with a depth of 6.00 metres, maximum height of 3.00 metres and eaves height of 2.30 metres.

It was difficult to evaluate this application from the submitted sketched plans. The extension appears to be about 6m square in the largest dimensions and replaces an existing shed/outbuilding.

The Parish Council has no objection in principle to this application provided that there are not any significant valid objections from neighbouring properties.
