Design Notes,
Single Storey rear extension to form Larger Kitchen.

Construction Notes
Before any Building work is to commence depending on the design of the existing traditional trench foundations, and any existing slab foundations are to be excavated and examined to determine their construction quality and depth, then the design of the new foundations can be confirmed by the appointed Building Control Officer. These existing foundations may require exposing at more than one location.
The dimensions on this drawing are for guidance only. The builder is to measure the actual sizes on site before the commencement of work.
All building materials, components and workmanship is to be constructed in strict accordance with the relevant British Standards and Approved Codes of Practice (ACOP's), and in strict adherence to the building material manufacturers recommended guidance and instructions.
Simon Vinall and Meopham Architectural Design accept no liability for the builders quotations, quality of workmanship, and accuracy of any of the dimensions of the on-site construction. Depending on Design the issuing of Party Wall notices maybe required. (1st June 2023)
