Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I write to object to the further development of our beautiful and peaceful village by people that have shown no respect to the land or village. Continued dumping of waste opposite the site and ongoing breeches of the notices served. All the rules for planning permission seem to have been completely ignored, this further development could lead to many more homes on what is a single track road that will lead to greater congestion for those of us that live along it.
