I wish to **object** to planning application number **20260649** for the reasons stated below:

①
Dear sir / madam our main objection is infrastructure
we have done our research and the Surgery is way
above capacity, as is the Dentist, although at the
meeting the developer said the local school has room
our investigations prove that this is not true
As you are the Planning Dept you must realise that
eventually the local Council will pay with tax payers
friends for these improvements, all NEW! developments
should foot the bill for new infrastructure to cope with
extra residents inc Hospital Parents Valley.
