

20231313 - Eastcourt Marshes Electricity Distribution Site , Mark Lane,

Thank you for the above application. With regard to pedestrian use we are happy for the diversion via NG1 Saxon Shore Way. I have sent this application onto the KCC Cycle Team so they can comment on the diversion route for NCN1. As such we have nothing to add from our comments from the earlier response.

KCC Public Rights of Way 3.9.24
