Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to this development for several reasons.</p> <p>The A227 and surrounding roads often flood and this development may add to this with the loss of green land to drain.</p> <p>The wildlife on and around the land will be displaced, the environment of Culverstone will suffer and, with trees being cut down, pollution will increase.</p> <p>The A227 is an incredibly busy road at the best of times. The extra cars will add to the congestion and pollution. Access onto the A227 is difficult and dangerous - a new development with the additional cars it will bring, will only make this worse.</p> <p>Schools and doctors in the area are already struggling with the existing population.</p>

Kind regards
