Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The proposed development will increase road usage in an area which is already over used for the type of roads in place. The increase in people will put additional pressure on the local doctors and schools. The development will also set a precedent for future proposals to the area, which could result in the merging of Culverstone Green with Meopham into one continuous developed area, thus removing the distinct characteristics of both.

Kind regards
