Reasons for comment:

Comments:	<p>I object to this proposal. 100 new homes is far too many for this area, probably doubling the current housing stock in one go! This area has gradually evolved over many years and any additional housing has been very small, building 100 new houses in one go is not!</p> <p>Where will these additional people register for a doctors or dentists? To currently get a doctors appointment takes ages, try registering for an NHS dentist...good luck.</p> <p>I can only presume the same issues will be faced for access to local schools. For decades the A227 has increasingly got busier to a point where trying to get out of a side road in peak times is ridiculous, any additional traffic movements will just add to this along with extra emissions etc.</p> <p>I object.</p>
