Dear Sirs

Re 'Tawahi'. Telegraph Hill, Higham, Rochester, ME3 7NW
Application for a Proposed Lawful Development Certificate – Erection
of a garage and summerhouse. Ref: GR/2025/1126

The Society notes the application also appears to include an extension to the main dwelling, and in view of the quantum of development, a full application with conditions may be more appropriate.

Yours faithfully

Mrs P Lippiatt
Hon. Secretary
