Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I believe the intended use as a young persons home will be detrimental to the conservation zone it is within. Having witnessed previous works done in this property, I have seen a disregard to listed building status, with use of the wrong materials used. I note the police require substantial physical changes to secure the property, which again will go against the listed status possibly but definitely the conversation zone, in terms of acceptable feel from the street.

Kind regards
