Reasons for comment:	
Comments:	I wholeheartedly support this winery. It's great for Gravesend. It will bring jobs to the area, giving our youngsters a career in an upcoming British industry. It will bring tourism to the Gravesham area. It champions British agriculture, as we know farmers are suffering and need to have different ways to make a profit. What they have done already tidies up the valley and enhances this beautiful AONB It will help support other businesses in the area. It will encourage ramblers to use the footpath attracted by the lovely setting and the lovely looking Kent barn shape of the building. Thanks

Kind regards
