Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	This construction is of poor quality with no regard for building or fire regulations. It has been partly built on a garden wall and my neighbours extension without their permission, regard to their buildings ventilation and rain water run off. I have observed cooking sounds and smells coming from this ramshackle woodern extension and I am concerned with the fire risks associated from these activities
