Reasons for comment:

Comments: Primarily concerns over litter in the surrounding areas and specially Woodlands Park. As evidenced by litter from existing fast food outlets and local vape shops. The council will not fund additional litter clearance and McDonald's would need to ensure that the park is left clear of their litter. Delivery drivers on mopeds causing excessive noise day and night, and questionable driving habits. Parking has always been a problem locally, and this would be still an issue as it is easier to pull up on a kerb than park in a congested car park. Odours from the cooking day and night, we did get the smell from the Beefeater, however this stopped by 10pm, this would not be the case as a McDonald's. Light pollution from signage would again be an issue.

Kind regards
