Reasons for comment:

Comments:	1) The Gravesham Local Plan emphasises the need to conserve and enhance the natural environment and promote healthy and safe communities. This application contravenes those requirements. 2) The application relates to beautiful area of country providing a buffer between Sole St., Cobham and Meopham. This application would erode that separation 3) There is no need for further traveller sites in this area as they already exist at Beanfield Park, Ash, ; Polhill Caravan Site ; Windmill Lane Caravan Park, W Malling ; Bean Caravan Site and Cuxton Caravan Site. 4) The increase in traffic along the narrow access road will further damage the verges of the road. As the road is used by walkers, schoolchildren, cyclists, runners and horse riders, the safety of whom has been further highlighted in the newest Highway Code, the extra traffic further endangers their safety. 5) Damage to the mature and young trees and hedgerows along the edge of the lane, caused by those moving a large mobile home, then illegally, on to the site will likely increase with further such movements of large caravans.
