Reasons for comment:	
Comments:	<p>This is ridiculous and so dangerous to many peoples lives . Having lived in Meopham for nearly 30 years I'm absolutely amazed that this is even being considered- is it to do with this Labour government building plans which will see them have a very short term ? My message to any labour leader is come and live in Gravesham /Meopham and see if you would put up with it !</p> <p>Meopham's infrastructure, parking , schools , rubbish , logistics , roads , shops , doctors, commuter links can't cope at the moment so how is 100s of new homes going to solve this major issue ?</p> <p>The parade of shops near the MCA school is a serious accident waiting to happen due to congestion.</p> <p>The village we purchased very expensive homes in and pay high council tax for them benefits , is fast becoming a rural city either side of the A227 "racetrack" motorway joining the A2 to the M20 .</p> <p>All this will do is make the area overcrowded, increase the growing crime rate , intensify dangerous parade and parking , wreck the community spirit and damage the economic levers of house pricing and local business .</p> <p>If the proposed development is agreed you will change the area forever and people will have to move out to seek a better life . Totally counterproductive in every sense of my argument.</p>

Kind regards
