Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The roads are too small, and the school are too full, how can our little village accommodate more housing and more people when the ones who are already here struggle to get doctors appointments and don't even think about being able to park your car outside the local shop as is. It's not sustainable for the future if we continue to overcrowd and over populated every chance there is until there is no green countryside left.

Kind regards
