Comments:

The A227 is at capacity and the road is so busy as it is lots of traffic diverts to the small narrow lanes and it is very dangerous especially at rush hour .
The A227 regularly floods and with more building this would be worse.
The GP has no room to employ more doctors so getting an appointment would be even more difficult for any type of appointment.
With more residents, in the area the pollution would be much worse, affecting health of local residents.
We do not have enough school places for children who live in Meopham as it is.
So more houses more children,
The wildlife and bats in that field should be protected.

Kind regards
