Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this application. The traffic is absolutely horrendous on the junction to this road anyway, with many children and allowing yet more cars in any way onto that road is foolish. I do fear that a Child crossing to one of the many schools there could be killed if further traffic is allowed. Development here does not agree with the green belt policy of the council and is unsustainable as it is too far from the station to not use a car.

Kind regards
