Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to this proposal because, the roads surrounding this area are already unsuitable for the existing traffic flow.</p> <p>Fix the infrastructure before you consider developing it further, a mistake you already made in other surroundings areas, for example Ebbsfleet valley, where roads infrastructure is poor, not enough doctors dentists and doctors, hospitals and schools are not accommodating residents!</p> <p>On top of this the proposed areas is rural, live stock and farming land.</p> <p>You should be ashamed of yourself!!</p>

Kind regards
