## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The location is unsustainable as you would have to use a car to get to the train station. More people will cross the busy road, that would get even more congested with the pedestrian fixed crossings that would be needed. The area is green belt and clearly not grey belt and a valuable resource for walking for local people. The scale is far too large and will urbanise the village. It is very unsuitable in this location.

Kind regards
