Reasons for comment:

Comments: I strongly object to the proposal for a large no. of HGVs to be sited and used from this location. This is a narrow lane where there are two horse livery stables who regularly use this lane and the surrounding lanes and roads for hacking their horses, the noise from the HGVs and trafficking through these lanes on a daily basis, the pollution they will cause, the dangers of HGVs using the surrounding roads for access where the local school in Istead Rise is sited and where children will be going to and from school. The use of the HGVs along this lane will make it impassable for residents trying to get to their houses in their own vehicles as it is a narrow lane, the damage they will cause to the road surfaces and the cost thereof.

Therefore I object to this application as a local resident.

Kind regards
