Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>* This would make it very dangerous for access when the road is actually a narrow rural lane which gets very congested already.</p> <p>* My understanding is, that this is currently being used as farmland. We need to maintain this, as it contributes to food production. We are not growing enough of our own produce and relying on importing from other countries.</p>

Kind regards
