## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Prime agricultural land, which is fertile well drained soil is essential for growing all types of crops. We need this green belt land for our food, as well as providing wildlife with habitat. There are numerous birds of prey, insects, bees, hedgehogs living in this area. The roads in this area are already overwhelmed with too many vehicles, the junctions are snarled up every day.

Kind regards
