Reasons for comment:	
Comments:	<p>Helen Allison School. A SEN school. Pupils are highly sensitive and I feel that this development would cause both alarm stress and sensory overload for the pupils. The site has been used as high grade agricultural land for centuries. We want it to continue for high quality food production. Longfield road is in constant use by HGVs going to the weighbridge at Green Street Green.</p> <p>More people means more pressure on doctors surgeries and hospitals. The system is already broken due to bad infrastructure planning in the past. It cannot cope now, let alone with more houses and residents. We do not want it.</p>

Kind regards
