| Stance: | Customer objects to the Planning Application |
| Reasons for comment: | |
| Comments: | Site access will be dangerous either a rural narrow road or the major A227 highway |
| | Approx 700 vehicles will be added to a village which struggles with traffic if any incident occurs |
| | Farm land should be used for food production |
| | The shops in close proximity will increase the risk of road traffic accidents |
| | At school opening and closing times the road is already inundated with parked cars |
