Reasons for comment:

Comments:	<p>I strongly object to the building of these houses.</p> <p>The A227 is already over capacity for cars. The traffic around the schools is already too busy without adding more cars. It is difficult to exit norwood lane on to wrotham road at all times of the day.</p> <p>We do not have the facilities for more residents. It is already impossible to get a doctors or hospital appointment. It is impossible to park at the shops.</p> <p>The area is regularly flooded when it rains and more buildings would increase this.</p> <p>We have a lot of wildlife and insects that will lose their homes, including bats and owls.</p> <p>Norwood Lane is a small lane that will not cope with the increase in cars. With people parking in the road it is already difficult to drive down especially at night and in poor weather conditions. The road frequency floods.</p> <p>Meopham is a village but building all these houses will make it a town.</p>
