Reasons for comment:

Comments:	<p>Object due to disruption likely to SEN school.</p> <p>Traffic in area is already severely congested, with limited parking, width of road, and risk posed to pedestrians especially at school times.</p> <p>Loss of productive farmland.</p> <p>Overloading of local facilities.</p> <p>Inadequate local bus services which will mean use of at least 240 more cars plus delivery and service vehicles.</p> <p>Development will not serve local need.</p> <p>Kent / national housing requirement best served with urban development in Gravesend and Northfleet / Ebbsfleet areas.</p> <p>Priority should first be given to planned developments on brownfield sites with subsidies if necessary.</p> <p>Destruction of green field areas is a permanent loss, and building because it is most profitable for developers is not planning.</p>
