Dear Mrs Hankin

REFERENCE NO.	20260911
PROPOSED DEVELOPMENT	Conversion of existing garage to habitable room.
LOCATION	133 Highview, Vigo, Gravesend, Kent DA13 0UT

Firstly, please accept my apologies for submitting the Parish Council's comments after the consultation deadline at the end of September. I would be grateful if they could still be taken into consideration.

Vigo Parish Council has considered the above planning application and wishes to confirm that it has **no objection** to the proposal.

Members were satisfied that sufficient off-road parking provision would remain following the conversion of the garage to habitable accommodation and that the proposal would therefore not give rise to parking concerns.

The Council would also expect the external finish of the conversion to match that of the original property, in accordance with the covenants affecting properties within the Parish.

The applicant should also be advised that **separate covenant approval must be sought from Vigo Parish Council** before the proposed works are undertaken.

Kind regards,

Joanne Glass
For and on behalf of Vigo Parish Council.
